

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicant(s):	Mohamad A. Morsey, et al.	Examiner:	Unassigned
Serial No.:	Unassigned	Art Unit:	Unassigned
Filed:	Herewith	Docket:	16499Z (PC10761B)
For:	ANTI-IGE VACCINES	Dated:	January 5, 2004

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

INFORMATION DISCLOSURE STATEMENT

Sir:

In accordance with 37 C.F.R. §§ 1.97 and 1.98, it is requested that the references listed on the attached Form PTO-1449, be made of record in the above-identified case.

CERTIFICATE OF MAILING BY "EXPRESS MAIL"

"Express Mail" Mailing Label Number: EV 267607464 US

Date of Deposit: January 5, 2004

I hereby certify that this Correspondence is being deposited with the United States Postal Service "Express Mail Post Office to Addressee" service under 37 C.F.R. §1.10 on the date indicated above and is addressed to the Commissioner of Patents, P.O. Box 1450, Alexandria, VA 22313-1450.

Dated: January 5, 2004

Peter I. Bernstein

Pursuant to 37 C.F.R. §1.98(d), copies of the references listed on the attached Form PTO-1449 are not provided, as references were previously submitted to the Examiner and references were cited by the Examiner in connection with parent case, U.S. Serial Number: 09/938,700, filed August 24, 2001.

Consideration of this Information Disclosure Statement is respectfully requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'P. Bernstein', with a long horizontal flourish extending to the right.

Peter I. Bernstein
Registration No. 43,497
